

Sunday Feast & Fun

FIN Wines recently showcased its portfolio of artisanal wines by hosting a wonderful event at Bo.lan restaurant, Sukhumvit 53. Called 'Fin Naturally Sunday Feast & Fun,' the event celebrated all things natural and sustainable, and featured a delicious range of food cooked by Bo.lan's owners, Bo and Dylan; and Daniel Bucher from Osito, using ingredients from local producers. Funds were also raised to support Baan San-Fan orphanage in Phang-Nga.
